COMMUNICATIONS. Jentiemen of the General Council: Gentiemen of the General Council:

The fire steamer No. 4, being so badily out of repair as to be almost unfit for service, requiring a new steam cylinder, suction, pump, and other expensive repairs, I deemed if necessary to send Mr James Boian, the engineer of seld steamer, to Senece Falls, New York, to give the necessary orders and is structions in regard to the work needed, which was done. He also brings with him two propositions, numbered I and 2, in regard to furnishing the city with a new engine. The first proposit I would recommend the acceptance of, believing it a fair proposition, enabling the city to obtain a new and greatly improved engine on fair and reasonable terms. The propositions are herewith submitted for your consideration.

PROPOSAL NO. 1.
